My county's republican office just announced a bus to DC too. Ticket prices are steep, but a decent alternative to going by yourself.

4 This is only costing me \$35. Not too bad considering I don't have to worry about finding a parking spot for my giant truck, or worry about it being damaged by antifa-tards. It's worth it at any price to be a part of history and to support GEOTUS.

5 I am so happy to hear that!! I feel so useless, just had knee surgery so I can not be there. Literally would just be a liability. I have never been so sad to miss something.

4 I feel ya'. But we need people at home, to witness via live streams and watch congress via cspan or whatever and as prayer warriors. It doesn't take the sting out of not going but you have important work to do on Jan 6th!

▼ How are you getting back, same buses? Any more seats, you have a link or anything or was this all organized offline?

▼ Same buses. They return the same day. All 5 buses are full, but I'm sure they'll be adding more. If you're on Facebook, look up Berks County for Trump or Berks County Patriots. They're the ones organizing the buses. Even though they're full, if you're interested in going, email them anyway and get on the list so they know there's demand for more buses.
